MOMS Club of Pasadena Service Projects

Rosemary Children's Services: One of the oldest West Coast charities that helps boys and girls of all ages who have suffered abuse, neglect and abandonment. Its programs include a Foster Family and Adoption Agency, which helps nearly 400 children, annually, throughout Los Angeles County and portions of San Bernardino, Riverside and Orange Counties; a Non-Public School providing specialized education in a small structured environment; a Mental Health Program to provide individual and group therapy and training in various life skills; and the Residential Program which includes Rosemary Cottage and four group homes. www.rosemarychildren.org

Pasadena Museum of History: Founded in 1924 to preserve and share the rich history, art, and culture of Pasadena and neighboring communities, Pasadena Museum of History Pasadena Museum of History operates the only Museum and Research Library devoted solely to preserving and educating the public about the history of Pasadena and the west San Gabriel Valley. www.pasadenahistory.org

Mother-to-Mother Fund: Provides emergency financial assistance to MOMS Club Members in crisis and was started by MOMS Club after the Northridge earthquake devastated many of the MOMS Club members in Southern California. All chapters donate into this fund every year, and money is sent out to MOMS Club members who are in dire need. www.momsclub.org

MOMS Club of Pasadena North Service Projects

Elizabeth House: Elizabeth House is a shelter for homeless pregnant women and their children dedicated to changing lives one family at a time. Located in Pasadena, California, Elizabeth House provides a safe home, support and hope for women who find themselves pregnant and in a time of crisis. www.elizabethhouse.net

Five Acres: Five Acres, The Boys' and Girls' Aid Society of Los Angeles County, is a child and family services agency that strengthens families and prevents child abuse through treatment and education in community-based and residential Programs. Originally founded as an orphanage in 1888, today Five Acres offers an array of services including residential care and educational services, mental health services in homes and schools, foster care and adoptions, and domestic violence prevention. www.5acres.org

Colonial House was designed to meet the needs of parents looking for a developmental program without overwhelming their child with large classroom sizes and long hours. Our curriculum encourages self-initiated learning. The environment provided allows the children to move freely within the classroom allowing the child to master his or her own development while also involving them in a more social setting through music and circle time.
